Disclaimer by Assignee

Inventor, William H. Saito, hereby disclaims, except as provided below, the terminal part of any patent granted on the above-referenced application which would extend beyond the expiration date of the full statutory term of any patent issuing from U.S. Patent Application No. 10/648,150, and hereby agrees that any patent so granted on the above-identified application shall be enforceable only for and during such period that the above-identified application and any patent issuing from U.S. Patent Application No. 10/648,150 are co-owned. This agreement extends to any patent granted on the above-referenced application and shall be binding on its successors or assigns.

Inventor does not disclaim any terminal part of any patent granted on the above-referenced application prior to the earlier of the expiration date of the full statutory term of any patent issuing from U.S. Patent Application No. 10/648,150, and that of any patent issuing on the above-identified application in the event that either one later expires for failure to pay a maintenance fee, is held unenforceable, is found invalid, is statutorily disclaimed in whole or terminally disclaimed under 37 C.F.R. § 1.321(a), has all claims canceled by a reexamination certificate, or is otherwise terminated prior to expiration of its full statutory term, except for the separation of legal title stated above.
